A sophisticated cuisine

«Loiseau des Ducs»

«Celebrate the elegance of Burgundy»

The «Loiseau des Ducs» gastronomic restaurant accurately reflects Bernard Loiseau's culinary style: straightforward tastes, fine sauces and respect for the product in interpreting the classics of Burgundy.

3 rooms, 3 atmospheres

The restaurant has the unique feature of being made up of three rooms, each with a completely different atmosphere:

- The XVIth century vaulted room, inherited from the Hôtel de Talmay.
- The 19th century bourgeois lounge with its fireplace and wood panelling.
- The typical Burgundian living room with its French-style ceiling and exposed stonework.

Innovation and Modernity

Discover the new decor, following the 2024 renovation, which brings out even more of the natural elements of the place (exposed stone walls, French ceiling).

The colour scheme is reminiscent of Burgundy, with the blackcurrant hues found on the furniture and door frames.

A private lounge

Make the most of our Michelin-starred restaurant for family events, friendships or business seminars. A private lounge is available for up to 20 people. It can be used for business meetings thanks to its video projector and screen, retractable equipment that can also be used for private events.
